MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director of Central Intelligence  
Executive Director  
Deputy Director for Administration  
General Counsel  
Director, Office of Legislative Liaison  
Comptroller

FROM: Robert W. Magee  
Director of Personnel

SUBJECT: Executive Order Proposing a Conforming  
Amendment to CIARDS Under Authority of  
Public Law 94-522

1. Action Requested: That you propose that an Executive Order be issued by the President to conform a certain portion of the CIA Retirement and Disability System (CIARDS) to a substantially identical provision in the Civil Service Retirement System.

2. Background: Basic retirement changes for Federal employees generally are legislated first into the Civil Service Retirement System. Other Federal retirement systems desirous of obtaining similar changes then propose necessary legislation. CIARDS is routinely amended in this manner to secure changes previously enacted for the Civil Service System.

a. An amendment to CIARDS, in October 1976, provided that in the future CIARDS could be conformed to the Civil Service System by Executive Order rather than by the protracted legislative process. The Executive Order may be used only to include in CIARDS changes to provisions in the Civil Service System for which there are substantially identical provisions in CIARDS.

b. We now recommend the adoption, by Executive Order, of the following item already enacted into the Civil Service System:

Extend by one year the deadline period for interest free purchase of post 1956 military service.

SUBJECT: Executive Order Proposing a Conforming  
Amendment to CIARDS Under Authority of  
Public Law 94-522

3. Staff Position: The Office of Personnel has reviewed the proposed changes in CIARDS with the Office of Legislative Liaison and the Office of General Counsel. It was agreed by all those concerned that these changes are necessary.

4. Recommendation: That you sign the attached letter to Mr. David A. Stockman, Director, Office of Management and Budget, to forward the proposal for an Executive Order to conform CIARDS as described.
